Description:

The E-290 combines the stability of a 4-wheel tow tractor with the maneuverability of a 3-wheeler thanks to its exclusive steering design.

Low maintenance cost is guaranteed by a fan-cooled motor, rugged automotive differential and large disc brakes.

Mid-shift interruptions are avoided thanks to its industrial battery.

Round-the-clock operation is easy with the roll-out battery option – no expensive battery lifting equipment is required.

Benefits:

SAFETY. Four-wheel stability.

ENDURANCE. Powerful fan-cooled motor.

RUGGEDNESS. Automotive ring gear differential, axle shafts on roller bearings.

DEPENDABILITY. Self-adjusting hydraulic brakes, 11" automotive discs.

PRODUCTIVITY. Industrial battery, longer running time.

ERGONOMICS. Automotive steering wheel.

BATTERY EFFICIENCY. 36V/12V converter to equalize cells, extend battery life.

DURABILITY. All-steel construction, 1/4" plate body, tubular frame.

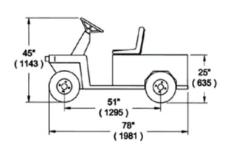

LOW COST OPTIONAL ROLL-OUT BATTERY INSTALLATION.

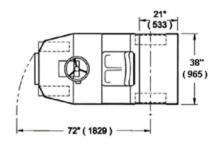

E-290

Vehicle shown may have optional accessories

Dimensions:

Standard Equipment & Features

Type: 36-Volt Electric Tow Tractor (4 **Brakes:** Rear wheel hydraulic brakes, large 11

wheels)

Capacity: 10,000 lb. (4545 kg

Speed: 8 mph (14 km/h) **Suspension:** Dual coil springs & shock absorbers on rear

Motor: 10 hp Fan cooled shunt motor **Seats:** Bucket seat on slide adjusters

Battery: No Battery Included Safety Reverse alarm, deadman seat switch, Horn

features:

Charger: No Charger Included Lights: Headlight, tail/brake light

Accessories: 36V/12V converter for 12-volt accessories, Bolt-on bumpers and

rear wheel guards

Steering: Automotive steering wheel

Wheels: 4.8x8 LRC pneumatic tires

Transmission: GOODYEAR Eagle **Unit weight:** 1,100 lb. (500kg) without battery

Synchronous drive

Drive axle: Differential with automotive **Certifications:** Conforms to requirements for type E, UL 583 and ANSI B56.9

ring gear

Notes: *includes passenger weight of 200 lbs. Specifications and standard equipment are subject to change without notice.
